<b>9. Keywords</b>	
<b>10. Course overview:</b>	
<p>The first course will teach general English with an emphasis on the four language skills of speaking, listening, reading, and writing. Because of this, it is thought to be crucial that students take this course and learn functional everyday English in order for them to be able to converse in the language. It is also determined that including grammar and vocabulary in the course syllabus is essential to helping the students' language proficiency.</p> <p>.</p>	
<b>11. Course objective:</b>	
<p>This course has been designed to develop the language knowledge of the students which they have learnt in the previous years throughout their studying for the English language. It also introduces the students with new vocabularies in the different aspects and knowledge area which indicates that this course not only focuses on the language knowledge but also enriches the students with various information about the different fields in life. It also improves their language skills of the target language (listening / speaking /reading / writing) separately and integrally. This is to develop the English language of the students to the academic level.</p>	
<b>12. Student's obligation</b>
