Week 14	Final Exams

Module Aims, Learning Outcomes and Indicative Contents

Module Objectives	<p>The Principles of Management course provides a comprehensive understanding of fundamental concepts that underpin effective organizational functioning. Beginning with an overview of management's historical evolution, the course covers key functions such as Planning, Organizing, Staffing, Directing, and Controlling.</p> <p>Students explore the significance of Planning, where goal setting, decision-making, and planning tools are emphasized. The Organizing module focuses on creating efficient structures and outlines principles related to authority, responsibility, and coordination.</p> <p>The course delves into the human side of management with leadership. Directing emphasizes leadership, motivation, communication, and team dynamics. Control mechanisms and their role in ensuring organizational efficiency are explored in the Controlling module.</p> <p>Contemporary Issues in Management highlight global challenges, diversity, ethics, and sustainability. Case studies provide practical applications, bridging theory and real-world scenarios. The course concludes by examining Future Trends in Management, addressing emerging practices and the need for adaptability.</p>
--------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Grading Scheme

مخطط الدرجات

Group	Grade	التقدير	Marks %	Definition
Success Group (50 - 100)	A - Excellent	امتياز	90 - 100	Outstanding Performance
	B - Very Good	جيد جدا	80 - 89	Above average with some errors
	C - Good	جيد	70 - 79	Sound work with notable errors
	D - Satisfactory	متوسط	60 - 69	Fair but with major shortcomings
	E - Sufficient	مقبول	50 - 59	Work meets minimum criteria
Fail Group (0 - 49)	FX – Fail	راسب (قيد المعالجة)	(45-49)	More work required but credit awarded
	F – Fail	راسب	(0-44)	Considerable amount of work required

Note: Marks Decimal places above or below 0.5 will be rounded to the higher or lower full mark (for example a mark of 54.5 will be rounded to 55, whereas a mark of 54.4 will be rounded to 54. The University has a policy NOT to condone "near-pass fails" so the only adjustment to marks awarded by the original marker(s) will be the automatic rounding outlined above.
