Objective:

I am a person very efficient, hard worker who do not mind long hours of work as long I am enjoying it and its pushing me to the top even if its slow progress. My energy scale would be on the highest levels when working in the active place with loads of work. I am also quick learner, I find my self tending not to restrain my working abilities and direct them into one field, which is why I am quite open to learn work and work in different direction.
